

Mission, Core Values, and Vision

Mission We exist to make disciples who are connected to God, to other believers, and to the world.

Values *Worship* – We put God first Sunday and every day. We honor God with our lips and our lives as we grasp the awesomeness of His presence and character.

Learn – We know and live the Bible. We work hard to put into practice the truths of God’s Word, believing we don’t really know the truth until it’s lived out.

Serve – We each do our part for the whole. We follow Jesus’ example of service by giving our time, our talents, and our resources to help others.

Care – We do life together. We understand God created us to be together. We form groups – large and small – to build belonging.

Reach – We extend ourselves to others by sharing our stories and our lives. We are sent to the whole world to be a blessing and to share the Good News of Jesus Christ.

Vision Everybody Welcome, Everybody Needed, Everybody Changed
